

VIENNA BOYS CHOIR

Stage Rider

The Partner agrees to organise and arrange the following

1. PIANO
The provision of a piano tuned to A= 440 Hz prior to the first rehearsal, and a piano stool. The piano shall be movable.
2. STAGE / RISERS
The stage area for the performance of the singing boys must be at least 8x4 m. The stage must be stable and safe to enter for up to 30 children.
The provision of two risers on stage set out in page 2
The risers shall have approx. following measurements:
3-3,5 metres in width, 0,5-1 m in depth and 0,2-0,4 m in height
3. TECHNICAL REQUIREMENTS
The Partner agrees to provide all technical requirements in order to enable WSK to deliver an optimal concert.
Light: same as for an orchestra concert
Sound system: to be decided depending on site
1-2 Music stands
1 microphone + pillow for the conductor
4. DRESSING ROOM
The provision of 2 dressing rooms facilities (for the conductor and for the choir). These shall have an appropriate temperature, be in a proper and clean condition and shall be directly accessible from the stage.
The provision of clothes hangers and 30 seats.
The provision of a sufficient number of toilets, which shall not be accessible by public visitors.
The provision of reasonable parking space for buses. The partner shall provide sufficient personnel for all transfers, the loading of uniforms, costumes and properties.
5. CONCERT-HALL
Smoking shall not be not allowed in the concert hall.
6. CATERING
The Partner agrees to provide mineral water without gas, fruit juices and light snacks in sufficient quantities. Beverages must not contain any alcohol, carbon dioxide or ice cubes and shall be non-refrigerated.
These refreshments shall be provided before, during and after the concert. No milk products.
